

REGISTRATION IS OPEN!

Sioux Falls FLYERS Youth Hockey is open for registration in our City League.

Join the Flyers and experience the greatest game on ice! Hockey develops confidence, team work, and determination as our skaters develop a passion for the game. We offer several options to fit the interests of your child. SFYHA offers considerable support for our skaters as we follow the USA Hockey ADM principles to ensure the kids are actively developing their skills while enjoying their time on the ice. We are a developmental program providing your kids with quality instruction and game play.
