Team Create or Team Innovate?

What's the best fit for your child?

HSMS offers two types of learning programs for 6th graders. Team Create provides students with a classic or traditional middle school schedule but still allows for plenty of creativity and student choice. Team Innovate provides learners with a flexible schedule, combines standards across various classes and gives learners options to show their learning in different ways.

We highly recommend you attend one of the three meetings to understand the learning opportunities for your child. Please use this link (goo.gl/3gxTWU) to sign-up for a day. Each meeting will begin at 6:00 pm at the South Middle School.
