

Robotics Team Applications

#GIRLSRULE

Tiger Robotics is looking for the best and brightest students and parent coaches to join our ranks. In the past 5 years Tiger Robotics has had explosive growth. Five years ago Tiger Robotics started with a single middle school team. Since then we have grown to 16 competition teams competing in three different robotics leagues, with teams from 4th grade up through 11th grade.

Now we are looking to grow even further. We are looking for the brightest future 4th, 5th and 6th graders to join our teams for next fall. These teams will compete next fall in the newest league in South Dakota VEX IQ. Teams will design, build, program, and compete with VEX IQ robots in exciting team and solo matches. To learn more about VEX IQ visit. <https://www.vexrobotics.com/vexiq/competition/viqc-current-game>

We are also looking for the most motivated and energetic adult mentors to help lead these teams. There has never been a better opportunity to watch you students use and enjoy STEM content.

If you are interested in joining this award winning team follow the steps below with your parent's assistance.

1. Fill out either an online application or a paper application with your parents help
 - a. Online App
<https://drive.google.com/open?id=1sxDXzXiK1EwhiDdU3z9C79dCKq6mD6PpmvNKgBR677g>
 - b. Paper application: (You will need to print this app) 2nd page of this document
2. Get a teacher recommendation using this form: (You will need to print a copy of this form)
<https://docs.google.com/document/d/11I4qYDVa2MlircMoJukJQFUXHcVMritk3vKUbwWFel9g/edit?usp=sharing>
3. Parents will receive an invite to a parent meeting (multiple nights will be available) to go over all the details of being part of the team to include:
 - a. Volunteer agreement: A sample can be seen here
https://docs.google.com/document/d/1WDeovsXkYwRkuQhTTiSeIc4LFvoLMB-rbjFcSlmni_M/edit?usp=sharing
 - b. Shirt Cost
 - c. Deposit
4. Parents and students turn in all paperwork with deposit check
5. If needed students will participate in a tryout.

Tiger Robotics Team Application

Student Name: _____

What role do you see yourself in on the team? (ex builder, programmer, strategy, research, social media, project manager)

Student Shirt Size: _____

Grade: _____ Homeroom Teacher: _____

Mother / Female Guardian Name: _____
