

Summer Camps

Looking for some stimulating ways to help your child fill their days and develop some new skills? Below are some great summer "camps" to help enrich their play skills, language, motor skills, sensory development and health/wellness.

Little Critters

Come join the fun! Little Critters offers an opportunity for your child to participate in a structured play time to help promote the development of social skills in a language rich environment. This playgroup will be led by a licensed SLP, OT and PT and will provide opportunities for gross and fine motor play, facilitated social skills and language development. All children are welcome to join the fun!

Ages: Group for 3-5 year olds

Dates and Times: 1.5 hours on Thursdays, June 8,15,22,29

9:00-10:30

Cost: \$100 for 4 sessions

Munch & Crunch: Making Mealtimes Fun!

Tired of every meal time being a battle? Looking for ways to encourage your picky eater to try something new? This camp works on providing a positive environment for food exploration and education for children and their families on making mealtimes an enjoyable experience again. The group will address oral motor, sensory, social and play aspects of feeding in a small group setting led by a speech language pathologist and OT. Children will play and create with, sing about, and read about food to work towards greater acceptance and willingness to try things that are a little different.

Ages: 2.5-6 (will group according to ages)

Dates & Times: 1 times per week for 4 weeks, for 1 hour. Thursdays, June 8, 15, 22, 29. 3:30 - 4:30

Cost: \$125

SENSEational Fun

A group designed to help children learn to self regulate their attention, activity level, and behavioral responses. To help them become more aware of their level of alertness allowing them to learn to monitor, modify, and change it to better be ready to meet the needs of different tasks and situations. It will include concepts from "How Does My Engine Run" program and handouts/activities from Brainworks and be led by an occupational therapist.

There will be interactive activities during the session to assist in identifying and changing their level of alertness as well as take home activities to help them work on it in all environments.

Ages: 7-10

Dates and times: 5 different 1 hour sessions.

Tuesdays, June 13, 20, 27 and re-group sessions Tuesday's July 11 and August 1 from 4:00 to 5:00 PM

Cost: \$125

- ❖ *All groups have limited availability. Each group must have a minimum number of participants to be held. If that minimum is not met you will be contacted one week prior to the start of the group.
