

Junior Achievement (JA) gives students hope for a better future. More than 2,200 JA classroom volunteers committed to teaching JA programs this school year. The JA volunteers are empowering over 54,000 South Dakota students to achieve their dreams.

JA volunteers are making it possible for students to learn about money, careers, and owning a business! By sharing their personal and professional experiences, JA volunteers guide students to make the connection between what they are learning in school and what they will need to succeed in work and life.

Please extend a special thank you to the volunteers and teachers listed below who participated in JA during the 2017-18 school year. Because of this teacher/JA volunteer partnership, students are a step closer in preparing themselves to become our future leaders.

If you would be interested in sharing your knowledge and business experience with students in our community, or would like to sponsor a student for \$25, please contact the JA office at (605)336-7318 or [jasd@ja.org](mailto:jasd@ja.org). A Junior Achievement experience will leave you feeling proud, energized, and hopeful about a better future for our young people.
