

*Bridging the Summer Reading Gap*

**Reading Bridge Summer Tutoring Program** was created in 2001 by teachers who understood how summer learning loss can influence student success in reading and writing.

This summer tutoring program offers small group instructional tutoring in reading and writing for elementary-aged students at **no** charge.

Reading Bridge meets one hour, twice a week in July and the first week of August. Morning and afternoon sessions are available. Please refer to the Reading Bridge website for specific session times.

Online registration, for **all** sites, begins on April 16:

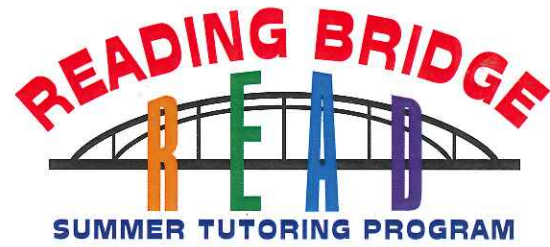

[www.readingbridge.org](http://www.readingbridge.org)  
or [www.sioxlandlib.org](http://www.sioxlandlib.org),  
or by phone, 367-8700.

Reading Bridge is funded by a grant from the Sioux Falls Area Community Foundation.

Directors: **Barb Wigg and Kyle Wigg**
