Harrisburg, South Dakota 57032

Dear Parents/Guardians

School will be out for the summer shortly. If your student has medication in the health office it will need to be picked up by a parent/guardian or other designated adult on the last day of school or sooner. If you cannot pick the remaining medication by the last day of school, you may make arrangements up to one week after school is out with **myself** or **Jen Balster** at **743-2567 EXT 3020** for medication pick up. Any medication not picked up within this time frame will be properly disposed.

If your student will require medication for the 2017-2018 school year, Harrisburg School District requires a new Medication Authorization Form be completed. This form is available on the Harrisburg School District website. A signed form will need to be completed by the parent/guardian for all over-the-counter medications. Prescription medications will need to have a signed Medication Authorization form signed by both parent/guardian and physician. Medication must be delivered directly to the school nurse/aide or trained personnel by parent/guardian in the ORIGINAL pharmacy or manufacturer's container. For the safety for everyone, student will not be allowed to carry/transport medication to or from school.

Have a great summer and see you next fall!!

Thank you,

Laura Steichen, LPN
